

Florida Washington county orange hill March 11th 1876

M Louise I seat my self to let you hear from
me wee are all sores to be up but not well I was
taken the middle of November with a case of the
liver I lie down under it two months and then
went to a doctor I took medicin six weeks but is
not well though I keep up and do my work I would
like to come and see you all but I have no body to
come with me and I cant come by my self you know
we have preaching here every Sunday Mr Dew preaches
two Sundays in the month and william Licker
one Sunday and william Owens one Sunday well
I dont know what more to say, I make such a
bad out I will close for this time Selina May
Dear Brother & Sister I set My self to Write
you A few Lines Which I see My Family not
Very Well the children is sick with
A Thrush up and Running off of the Bowels
the Rest is all Well as Comon I hope these lines
May Find you all Well I, & No News to
Write of importance Times is hard hir Money
and Perisons scarce But With the help of God
I hope tha Will Be Perisons Made fir this
year Peopl is in Ginerly A Putting in
for Large crops and Gradle for Corn and rice
I Want to Plant 25 Acres in Corn and 4 Acres
in Rice We air Gitting A Long as Well as
usal I Want you to Write to us We air all
Very Busy now A Planting John I
Want you to Come this Summer or
Fall to see us so Look over Bad Riting
